Connecting startups and industry

Calls and opportunities > BoostUp! Europe 2023 Call

BoostUp! Europe 2023 Call

Pan-European Open Innovation Competition for Startups and Scaleups: BoostUp! Europe 2023 Call

BoostUp! Europe 2023 Call is a call for mature European startups to solve 5 industrial business challenges, disclosed by this year's partners – Volkswagen AG, Dana Inc., Talgo, voestalpine Böhler Aerospace, and Berg Propulsion. BoostUp! Europe 2023 is an instrument for EIT Manufacturing to promote relationships between innovative startups and industrial Corporates and SMEs. The total budget for this call is €150,000 and the top-5 startups will receive a 30,000 Euro lump sum grant to implement a proof of concept (PoC) of their innovative solution to solve a Corporate/SME challenge.
