

AI-IGNITE Open Call

**Revolutionize your
business with AI!**

**Scan here and
apply now!**

Are you an SME eager to leverage AI for growth? The AI-IGNITE Call is your golden ticket!

AI-IGNITE is one of the initiatives that emerged following the collaboration agreement between **EIT Manufacturing South East** and the **Greek Satellite of AI-MATTERS** with the goal of enhancing the competitiveness of the local business ecosystem by promoting the testing and implementation of Artificial Intelligence (AI) technologies.

Who can apply?

- Companies must be registered and active in one of the following countries: **Albania, Bulgaria, Cyprus, Greece, Moldova, North Macedonia, Romania and Türkiye.**
- The legal status of the companies requesting to participate should be an **early-stage** or **mature Startup** or **SME with a valid PIC number.**
- The application package should include a **complete application form** and **logo** in HD format.

Rewards:

- €10,000 **financial award** from EIT Manufacturing South East to fuel your development plans.
- **Up to €40,000 in-kind support** from AI-MATTERS Greek Satellite for cutting-edge AI infrastructure and expertise.
- **3-month Access-to-Market (A2M) support** from EIT Manufacturing South East to accelerate your business growth.

Call Details:

- Call opening date: **25 July 2024**
- Submission deadline: **9 September 2024**
