# EITM New Submission tool

We are excited to announce the implementation of a new submission tool for managing Call for Proposals (CFP). This tool, Oracle NetSuite, will be the central hub for all our current and future partners to streamline their collaboration with us.

## Objectives

- **Centralised Platform:** Unifying all CFP functions and partner interactions in one system
- **Increased Efficiency:** Offering real-time project visibility, reducing delays and manual work.
- **Streamlined Communication:** Ensuring transparent, clear updates and exchanges with partners.

# New Organisation Registration (EOI)

- Organisations interested must complete the online Expression of Interest (EOI) form.
- In the "Purpose of Registration" field, choose "Call for Proposal" as the option.
- After the submission, the process includes a verification by EIT Manufacturing, followed by an email to finalise the registration.

Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

# CFP Programme

The Programme oversees the partner's ability to create or submit proposals, considering the proposal's timeline

The screenshot shows a web application interface for CFP Programs. At the top, there are logos for EIT Manufacturing and the European Union. On the right, there is a user profile for '1050 Baleine' and a 'Help' button. Below the logos, there is a navigation bar with 'Customer Details' and 'Proposals'. The main heading is 'CFP Programs (Running, Upcoming): Results'. Below the heading, there is a 'FILTERS' button and a 'Learn about NetSuite Analytics Warehouse' link. The main content is a table with the following columns: AREA, CFP PROGRAM NAME ▲, CFP START DATE, CFP END DATE, PROJECT START DATE, PROJECT END DATE, STATUS, and APPLY. The table contains one row: Innovation, CFP Empowering SME's 2024, 19/08/2024, 11/11/2024, 01/04/2025, 31/12/2025, Running, and a document icon. The total number of results is 1.

AREA	CFP PROGRAM NAME ▲	CFP START DATE	CFP END DATE	PROJECT START DATE	PROJECT END DATE	STATUS	APPLY
Innovation	CFP Empowering SME's 2024	19/08/2024	11/11/2024	01/04/2025	31/12/2025	Running	

# CFP Form

**Body part:** Always visible on the form, it contains general information about the Program (CFP) and essential details about the proposal (such as ID and the status).

**Subtabs:** Also known as criteria, these contain all the fields required for the CFP. Users can navigate through them by clicking on specific subtab titles.

# Submission

---

Once a proposal is created, partners can input information, save progress, and resume later.

The "Submit" button becomes active once the proposal is fully completed and saved.

Upon submission, the proposal is locked and marked for evaluation.

All contacts added in the CFP application will receive an email notification about successful submission of the form
